<http://finance.ky.gov/services/ofm/Pages/KyPrivateActivityBondAllocationCommittee.aspx>

Any application received after 4:00 p.m. ET on the stated deadlines above will **NOT** be considered for review. Please be advised that the responsibility of meeting the deadline lies with the applicant and not with a courier service. Faxed applications will not be accepted.

The total available volume cap for CY2018 is expected to be approximately **\$467,689,845**. Sixty percent (60%) or **\$280,613,907** will be available to the State Issuer Pool. Thirty percent (30%) or **\$140,306,954** will be available to the Local Issuer Pool. Ten percent (10%) or **\$46,768,984** will be reserved through June 30, 2018 for energy efficient projects ("Energy Efficient Project Pool") applying for manufacturing facility energy efficiency bonds issued by any issuer pursuant to KRS 103.282. All applicants for CY 2018 Bond Cap Allocation will be permitted a maximum allocation amount to be determined by the Committee based on the total number of applications received and the total amount of volume cap requested. Available Bond Cap Allocation figures are based on the December 2017 report by the U.S. Census Bureau that is the July 1, 2017 population estimate for Kentucky (**4,454,189**) multiplied by the 2018 per capita (**\$105**).

All applications received by the deadline will be reviewed. Local Issuer Pool and Energy Efficient Project Pool applications will be ranked based upon the criteria established in 200 KAR 15:010. State Issuer Pool applications will be reviewed and presented to the Committee for allocation.

Please contact Bethany Couch at (502) 564-2924 should you have any questions regarding the allocation process for CY2018.
